This policy contains conditions relating to your health. In particular, claims will not be covered where at the time of purchasing this insurance any insured person has suffered from or received any form of medical advice or treatment or medication for any of the following conditions:

- any heart or circulatory condition; or
- any respiratory condition; or
- any cancerous condition.

In addition, claims will not be covered where at the time of purchasing this insurance you or any insured person has suffered from any of the following:

- you have a medical condition for which you are taking prescribed medication; or
- you have been referred to or seen by a medical specialist or needed inpatient treatment within the last 12 months.

Failure to declare a medical condition will result in claims relating to the undisclosed condition not being covered. Please refer to General exclusion number 1 on page 9 for further information.

If you are travelling with pre-existing medical condition(s), we wish to notify you of a new government service. The Money & Pensions Service have a directory of information specifically for travellers with medical conditions. This is to help customers to better understand how and where to get insurance cover and/or value for money if you are travelling with a medical condition(s).

For example, this might include how you can get cover for a condition that may be currently excluded on your policy.

If you would like further information on the service, please visit the Money & Pensions Service website at: https://traveldirectory.moneyadviceservice.org.uk/en or telephone 0800 138 7777

Health of your relatives, travelling companions insured elsewhere and business associates
This policy will not provide cover for claims under Section A (Cancelling your trip) or Section C (Cutting your trip short) arising from any medical condition you knew about at the time of purchasing this insurance and that affects a relative, business associate, a person who you have booked to travel with or a relative or friend living abroad who you had planned to stay with if during the three months before you purchased this policy, they:

- have been diagnosed with a new medical condition for which they need to take prescribed medication;
- have been referred to or seen by a medical specialist or needed inpatient treatment;
- are receiving or waiting for medical investigation or treatment for any undiagnosed condition or set of symptoms; or
- have been given a terminal prognosis.

Changes to your health after purchasing your policy
If after the policyholder has paid the insurance premium you are diagnosed with a heart condition, a circulatory condition, a respiratory condition, cancer or for any other medical condition you receive inpatient medical treatment or are placed on a waiting list for investigation or medical treatment, you do not have a duty to disclose details of your change in circumstances to us before your trip.

Provided you were not aware of the medical condition and you were not aware you would need to receive medical treatment or undergo investigations at the date the policyholder paid the insurance premium, cover will continue under the existing terms of the policy. However, if you are no longer able to travel on your forthcoming trip due to your change in circumstances, you would be entitled to make a claim under Section A (Cancelling your trip) for your costs which cannot be recovered from elsewhere.

Failure to declare a medical condition will result in claims relating to the undisclosed condition not being covered. Please refer to General exclusion number 1 on page 9 for further information.

Health agreements
If you are travelling to Australia or New Zealand and you need medical treatment, you should enrol with Medicare or the equivalent scheme of these countries. Further information is available from the following website: www.hic.gov.au.
If you enrol with Medicare when travelling to Australia or New Zealand, this will save you paying the policy excess under Section B1 (Emergency medical and other expenses outside of the United Kingdom) if your medical costs are reduced as a result of Medicare being involved.

Residency

This policy offers coverage only to individuals ordinarily resident in the United Kingdom and is not available to non-residents of the United Kingdom.

You and all other insured persons on this policy must have your main home in the United Kingdom and have a United Kingdom National Insurance number (if aged 16 years of age or over) and be registered with a doctor in the United Kingdom at the time you buy this policy.

Under the Regulations if you have a confirmed reservation on a flight that comes within the scope of the Regulations, and that flight is delayed by between two (2) and four (4) hours (length of time depends on the length of your flight) the airline should offer you meals, refreshments and hotel accommodation. If the delay is more than 5 hours, the airline must offer to refund your ticket. If your flight is cancelled by the airline, you may be entitled to a refund. The Regulations should apply to all flights, whether budget, chartered or scheduled, originating either (i) in the UK or European Union (EU) regardless of the airline, (ii) outside of the UK which arrive in the UK where the airline is registered as a EU or UK carrier; or (iii) outside of the UK which arrive in the EU where the airline is registered as a UK carrier or an EU carrier.

If your flight is delayed or cancelled, you must in the first instance approach your airline and clarify with them what costs they will pay under the Regulations. If you would like to know more about your rights under the Regulations, additional useful information can be found on the Civil Aviation Authority website (www.caa.co.uk).

Sports and activities

You may not be covered when you take part in certain sports or activities. For certain activities, cover under Section G (Personal accident) and Section H (Personal liability) will not apply. - You follow the safety guidelines for the activity concerned and where applicable you use the appropriate and recommended safety equipment;
- The activity is not part of a competition or tournament; and

GENERAL CONDITIONS
The following conditions apply to all sections of this insurance:

1. You must tell us if you know about anything which may affect our decision to accept your insurance (for example, if you are planning to take part in a dangerous activity while you are on holiday).
2. You must take all reasonable steps to avoid or reduce any loss which may mean that you have to make a claim under this insurance.
3. You must give the AIG Travel Claims Department all the documents they need to deal with any claim. You will be responsible for the costs involved in doing this. For example, in the event of a cancellation claim you will need to supply proof that you were unable to travel, such as a medical certificate completed by your doctor.
4. You must help us get back any money that we have paid from anyone or from other insurers (including the Department for Work and Pensions) by giving us all the details we need and by filling in any forms.
5. Any fraud, deliberate mis-statement or hiding of information in connection with the application for this policy or when making a claim will make this policy invalid for the insured person who has committed the fraud, deliberate mis-statement or hid information. In this event, any benefit due to the insured person who has committed the fraud, deliberate mis-statement or hiding of information under this policy will be forfeited and any benefit that has previously been paid to them must be repaid to us in full. We will also under such circumstances not refund any premium paid on behalf of the insured person who has committed the fraud, deliberate mis-statement or hiding of information.
6. The insured person must give us permission to obtain any medical reports or records needed from any doctor who has treated the insured person; otherwise we may not pay any claim.

7. We may ask the insured person to attend one or more medical examinations. If we do, we will pay the cost of the examination(s) and for any medical reports and records and the insured person’s reasonable travelling expenses to attend (and any person required to travel with them), if these expenses are agreed by us in advance. If the insured person fails to attend without reasonable cause, we may reject the claim.

8. If an insured person dies, we have the right to ask for a post mortem examination at our expense.

9. You must pay us back any amounts that we have paid to you which are not covered by the insurance. This could include any overpayments and payments which you are not entitled to, for example, if your claim for lost luggage has been paid but your suitcase is subsequently returned to you by the airline.

10. After a claim has been settled, any damaged items which you have sent into the AIG Travel Claims Department will become our property.

11. This policy may not be assigned or transferred unless agreed by us in writing.

12. We will not pay any interest on any amount payable under this policy.

13. We will deal with claims under Section G (Personal accident) in respect of accidental death as follows:
   a. If an insured person is 18 years of age or over any sums payable will be made to the executor or legal representative of the deceased insured person’s estate.
   b. If an insured person is 17 years of age or under any sums payable will be made to a parent of the deceased insured person.

14. We may also contact third parties who have or who were to provide services to the insured person (for example, an airline, travel company or hotel) to verify the information provided.

15. Only the policyholder, an insured person (or their parent if they are 17 years of age or under or their executor or legal representative in the event of the death of an insured person) or us may enforce the terms of this policy.

16. All claims must be notified as soon as is reasonably practical after the event which causes the claim. Failure to do so may result in our rejection of the claim if it is made so long after the event that we are unable to investigate it fully, or may result in you not receiving the full amount claimed for if the amount claimed is increased as a result of the delay.

SECTION OF COVER

SECTION A – CANCELLING YOUR TRIP

- travel and accommodation expenses which you have paid or have agreed to pay under a contract and which you cannot get back;
- the cost of excursions, tours and activities which you have paid for and which you cannot get back; and
- the cost of visas which you have paid for and which you cannot get back.

Please note: If payment has been made using frequent flyer points, airmiles, loyalty card points or the like and these are non-transferable then settlement of your claim will be based upon the lowest available published rate, e.g. if you have used frequent flyer points to purchase an airfare we will base our settlement on the lowest available published flight fare for the flight originally booked.

We will provide this cover if the cancellation of your trip is necessary and unavoidable as a result of the following:

1. You dying, becoming seriously ill or being injured.

2. The death, serious illness or injury of a relative, business associate, a person who you have booked to travel with or a relative or friend living abroad who you had planned to stay with. The incident giving rise to the claim must have been unexpected and not something you were aware of when you purchased this insurance. Please see General exclusion number 1d for further details.

3. You being made redundant, as long as you had been working at your current place of employment for a minimum continuous period of two years, and that at the time of booking the trip or the date you purchased this insurance cover, whichever is earlier, you had no reason to believe that you would be made redundant. This cover would not apply if you are self-employed or accept voluntary redundancy.

4. You or a person who you have booked to travel with being called for jury service (and your request to postpone your service has been rejected) or attending court as a witness (but not as an expert witness).

5. If the police or relevant authority need you to stay in the United Kingdom after a fire, storm, flood, burglary or vandalism to your home or place of business within seven days before you planned to leave on your trip.

6. If you are a member of the armed forces or police, fire, nursing or ambulance services which results in you having to stay in the United Kingdom due to an unforeseen emergency or if you are posted overseas unexpectedly.

7. If after the time you booked your trip or purchased your policy, whichever is later, the Foreign, Commonwealth and Development Office advises against all (but essential) travel to your intended destination.

8. If you become pregnant after the date you purchased this insurance cover and you will be more than 26 weeks pregnant at the start of or during your trip. Or, if you become pregnant after the date you purchased this insurance cover and your doctor advises that you are not fit to travel due to complications in your pregnancy.

What you are not covered for under Section A

1. The excess as shown in the table of benefits. The excess will apply for each trip that you have booked and for each insured person.

2. Cancelling your trip because of a medical condition or an illness related to a medical condition which you knew about and which could reasonably be expected to lead to a claim.

3. You not wanting to travel.
4. Any extra costs resulting from you not telling the holiday company as soon as you know you have to cancel your trip.

5. You being unable to travel due to your failure to obtain the passport or visa you need for the trip.

6. Costs that have not been incurred by or on behalf of an insured person.

7. Any costs you would have still had to pay even if you had not been due to travel such as time share management fees or holiday club membership fees.

**SECTION B1 – EMERGENCY MEDICAL AND OTHER EXPENSES OUTSIDE OF THE UNITED KINGDOM**

Please note: If you are admitted into hospital as an inpatient for more than 24 hours someone must contact the Medical Emergency Assistance Company on your behalf as soon as reasonably possible (please see the Medical and other emergencies section on page 6 for further details).

2. The cost of your return to the United Kingdom earlier than planned if approved by the Medical Emergency Assistance Company and this is deemed to be a medical necessity.

   - Extra accommodation (room only) and travel expenses (economy class unless a higher grade of travel is confirmed as medically necessary and authorised by the Medical Emergency Assistance Company) to allow you to return to the United Kingdom; and
   - Extra accommodation (room only) for someone to stay with you and travel home with you (economy class unless a higher grade of travel is confirmed as medically necessary and authorised by the Medical Emergency Assistance Company) if this is necessary due to medical advice; or

5. Residents of the Channel Islands only. Emergency medical, surgical and hospital treatment costs or expenses levied by an NHS run medical facility whilst travelling within the United Kingdom (excluding travel within the Channel Islands) which are not covered by any provision of emergency medical treatment agreements between the Channel Islands and United Kingdom’s national health services.

6. Emergency dental treatment as long, in the opinion of the dental practitioner, it is for the immediate relief of pain only (please see the table of benefits for details of the sum you are entitled to claim).

Please note: In the event of your injury or illness we reserve the right to relocate you from one hospital to another and/or arrange for your repatriation to the United Kingdom at any time during the trip. We will do this if in the opinion of the doctor in attendance or the Medical Emergency Assistance Company you can be moved safely and/or travel safely to the United Kingdom to continue treatment.

If the claim relates to your return travel to the United Kingdom and you do not hold a return ticket, we will deduct from your claim an amount equal to your original carrier’s published one way airfare (based on the same class of travel as that paid by you for your outward trip) for the route used for your return.

**What you are not covered for under Section B1**

1. The excess as shown in the table of benefits for each insured person and for each incident. The excess will be reduced to nil if your medical expenses have been reduced by you using Medicare or equivalent schemes (please refer to the Health conditions referred to under “Important things you need to know before you travel” section on page 4 for further details).

3. Any costs relating to pregnancy or childbirth, if you are more than 26 weeks pregnant at the start of or during your trip.

2. If you cannot return home as you originally planned and the treating doctor approves this, we will pay for:

1. **You** dying, becoming seriously ill or being injured.
2.
