IMPORTANT THINGS YOU NEED TO KNOW BEFORE YOU TRAVEL

Health conditions

This policy contains conditions relating to your health. In particular, claims will not be covered where at the time of purchasing this insurance any insured person has suffered from or received any form of medical advice or treatment or medication for any of the following conditions:

- any heart or circulatory condition; or
- any respiratory condition; or
- any cancerous condition.

In addition, claims will not be covered where at the time of purchasing this insurance you or any insured person has suffered from any of the following:

- you have a medical condition for which you are taking prescribed medication; or
- you have been referred to or seen by a medical specialist or needed inpatient treatment within the last 12 months.

Failure to declare a medical condition will result in claims relating to the undisclosed condition not being covered. Please refer to General exclusion number 1 on page 9 for further information.

Health of your relatives, travelling companions insured elsewhere and business associates

This policy will not provide cover for claims under Section A (Cancelling your trip) or Section C (Cutting your trip short) arising from any medical condition you knew about at the time of purchasing this insurance and that affects a relative, business associate, a person who you have booked to travel with or a

relative or friend living abroad who you had planned to stay with if during the three months before you purchased this policy, they:

- have been diagnosed with a new medical condition for which they need to take prescribed medication;
- have been referred to or seen by a medical specialist or needed inpatient treatment;
- are receiving or waiting for medical investigation or treatment for any undiagnosed condition or set of symptoms; or
- have been given a terminal prognosis.

Changes to your health after purchasing your policy

If after the policyholder has paid the insurance premium you are diagnosed with a heart condition, a circulatory condition, a respiratory condition, cancer or for any other medical condition you receive inpatient medical treatment or are placed on a waiting list for investigation or medical treatment, you do not have a duty to disclose details of your change in circumstances to us before your trip.

Provided you were not aware of the medical condition and you were not aware you would need to receive medical treatment or undergo investigations at the date the policyholder paid the insurance premium, cover will continue under the existing terms of the policy. However, if you are no longer able to travel on your forthcoming trip due to your change in circumstances, you would be entitled to make a claim under Section A (Cancelling your trip) for your costs which cannot be recovered from elsewhere.

Failure to declare a medical condition will result in claims relating to the undisclosed condition not being covered. Please refer to General exclusion number 1 on page 9 for further information.

Health agreements

If you are travelling to a country in the European Union, you should take a European Health Insurance Card (EHIC) with you. Application forms to obtain an EHIC are available from your local post office or you can download an application form from the following website: www.ehic.org.uk. This entitles European citizens to benefit from the health agreements which exist between countries in the European Union.

If you are travelling to Australia or New Zealand and you need medical treatment, you should enrol with Medicare or the equivalent scheme of these countries. Further information is available from the following website: www.hic.gov.au.

If you present your EHIC to the treating doctor or hospital if you need medical treatment within the European Union or you enrol with Medicare when travelling to Australia or New Zealand, this will save you paying the policy excess under Section B1 (Emergency medical and other expenses outside of the United Kingdom) if your medical costs are reduced as a result of using your EHIC or Medicare being involved.

GENERAL CONDITIONS

The following conditions apply to all sections of this insurance:

2. **You** must take all reasonable steps to avoid or reduce any loss which may mean that **you** have to make a claim under this insurance (for example if **you** receive hospital treatment in a European Union country **you** should produce **your** European Health Insurance Card (EHIC), if **you** have one).
3. **You** must give the AIG Travel Claims Department all the documents they need to deal with any claim. **You** will be responsible for the costs involved in doing this. For example, in the event of a cancellation claim **you** will need to supply proof that **you** were unable to travel, such as a medical certificate completed by **your doctor**.
4. **You** must help **us** get back any money that **we** have paid from anyone or from other insurers (including the Department for Work and Pensions) by giving **us** all the details **we** need and by filling in any forms.
5. Any fraud, deliberate mis-statement or hiding of information in connection with the application for this policy or when making a claim will make this policy invalid for the **insured person** who has committed the fraud, deliberate mis-statement or hid information. In this event, any benefit due to the **insured person** who has committed the fraud, deliberate mis-statement or hiding of information under this policy will be forfeited and any benefit that has previously been paid to them must be repaid to **us** in full. **We** will also under such circumstances not refund any premium paid on behalf of the **insured person** who has committed the fraud, deliberate mis-statement or hiding of information.
6. The **insured person** must give **us** permission to obtain any medical reports or records needed from any **doctor** who has treated the **insured person**; otherwise **we** may not pay any claim.

7. **We** may ask the **insured person** to attend one or more medical examinations. If **we** do, **we** will pay the cost of the examination(s) and for any medical reports and records and the **insured person's** reasonable travelling expenses to attend (and any person required to travel with them), if these expenses are agreed by **us** in advance. If the **insured person** fails to attend without reasonable cause, **we** may reject the claim.
8. If an **insured person** dies, **we** have the right to ask for a post mortem examination at **our** expense.
9. **You** must pay **us** back any amounts that **we** have paid to **you** which are not covered by the insurance. This could include any overpayments and payments which **you** are not entitled to, for example, if **your** claim for lost luggage has been paid but **your** suitcase is subsequently returned to **you** by the airline.
10. After a claim has been settled, any damaged items which **you** have sent into the AIG Travel Claims Department will become **our** property.
11. This policy may not be assigned or transferred unless agreed by **us** in writing.
12. **We** will not pay any interest on any amount payable under this policy.
13. **We** will deal with claims under Section G (Personal accident) in respect of accidental death as follows:
 - a. If an **insured person** is 18 years of age or over any sums payable will be made to the executor or legal representative of the deceased **insured person's** estate.
 - b. If an **insured person** is 17 years of age or under any sums payable will be made to a **parent** of the deceased **insured person**.
14. **We** may also contact third parties who have or who were to provide services to the **insured person** (for example, an airline, travel company or hotel) to verify the information provided.
15. Only the **policyholder**, an **insured person** (or their **parent** if they are 17 years of age or under or their executor or legal representative in the event of the death of an **insured person**) or **us** may enforce the terms of this policy.
16. All claims must be notified as soon as is reasonably practical after the event which causes the claim. Failure to do so may result in **our** rejection of the claim if it is made so long after the event that **we** are unable to investigate it fully, or may result in **you** not receiving the full amount claimed for if the amount claimed is increased as a result of the delay.
